Message from our President

What does it mean to be a member of the Great Salt Lake Dog Training Club?

We are extremely fortunate to have a group of very caring and hard-working individuals who allow the club to exist and assist so many people who count on the excellent training we offer starting with the puppy, beginners, intermediate, advanced, agility, rally and conformation classes but we are always in need of help. As a valued member, I'd like to ask you to consider what you can do to lend a helping hand. Perhaps you've taught a class some time ago and would like to teach another sometime in the near future. Maybe you've taken a class and would like to be an assistant trainer. There is no experience necessary and on the job training is the best way to learn. If training or assisting in training a class is not your thing, there are other ways you can help. Perhaps you would like to steward at a dog show. Again, no experience is necessary. Perhaps you would be interested in helping in the area of hospitality or assisting with setting up and the take down at the next show. There are a number of ways in which we could use your time and assistance so I ask that you consider sending me an email and express your willingness to help in the way that works best for you. Your time can be on a regular basis or a once in a while as needed basis but, either way, it will be appreciated and I know you will have a fun and rewarding experience. Please drop me a line at ilokcik@gmail.com if you want to see how you can lend a helping hand.

The Next General Meeting will be Oct 24th

All meetings are held at the Columbus Center

2530 South 500 East—Salt Lake City, UT

Normally in Room 101, but occasionally moved to the gym. 7pm
