The next General Meeting

will be held Monday Sept 26th at 7:00 pm

The General Meetings are held at The Columbus Center located at

2530 S 500 E, Room 101—Salt Lake City, UT

The Sept Guest Speaker will be our very own Jessica Buhlman

She will talk about what it takes to become an Obedience/Rally Judge and her journey along the way.

Which reminds me, DON'T forget we have our trials coming up Sept 16, 17 & 18 at the Legacy Events Center in Farmington.

It's ok if you aren't entered, come on up and enjoy watching. For those interested in obedience,

rally and or agility but haven't yet tested the grounds, so to speak, coming out to watch a trial is the best thing to do. You'll see how much fun the exhibitors have and the bond they've built with their 4 legged partner/s. They will also be holding conformation shows on the same grounds, so you'll also be able to watch/cheer on your favorite breed.

THANK YOU to Everyone who joined us at our Summer Picnic/ Aug General Meeting

It was a great success!

Unfortunately I forgot to bring my camera and haven't found anyone who took any pictures! I do apologize for that. We had a great turn out and THANK YOU SO much to everyone who donated items for the raffle, or I should say "opportunity drawing"

There were MANY wonderful items up for grabs for the small price of a ticket. It seemed the drawing lasted longer

than the meal and meeting! Congrats to all who wonderful fun gifts.

walked away with some

We also presented the Volunteer of the Year Award.

And the

Of the Year

Goes to Sean Jones

Volunteer of the Year Award was presented by Michelle Larsen to Sean Jones (who was not present, but wife, Kathleen got him on the phone) Thank you for ALL you do to help the club every Wed night and at all of our trials and test. We will all miss you both very much when you move to Las Vegas.

Our next upcoming event after the obedience, rally and agility trial on Sept 16, 17 & 18 will be our VST (Variable Surface Tracking) Test. Held Oct 2nd at the University of Utah Campus.

Here's a couple pups learning to track. If you don't have a dog ready or just want to know more about

Variable Surface/Urban tracking, come on out and watch.

Seti never ceases to amaze me!
In 2015, he not only got his AKC CD, CDX and UD titles in less than seven months, he received 16 High in Trials along the way. He picked up his ASCA CD with a perfect score of 200 and a two HITs as well as his UKC CD and CDX titles with four HITs. Thank you to Cindy Pischke for such a wonderful companion and Barbara Honeycutt for all of her help along the way. Seti has many friends to thank too because without them, he would not be as successful as he is.

Do you have a brag or accomplishment you'd like to share? Send them to me and I will be sure to get them in the newsletter!

Big or small, all brags are welcome here!
