## JUDGING INFORMATION

### CLASSES OFFERED

#### Class Changes Effective January 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. For example, the same dog may now be entered in Regular FAST and/or T2B to finish up those titles while also entered in Preferred Master STD/JWW to start working towards their PACH at the lower height. Any mixture of Regular and Preferred classes is allowed.

Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

When calculating entry fees, treat multiple entry forms for the same dog as if only one form had been filled out. In other words, the 1st run entry fee is only paid once per day, per dog, even if that dog's runs have been submitted on multiple entry forms.

Entering For Exhibition Only (FEO) As of January 1, 2020, For Exhibition Only may be offered at the option of the host club. FEO will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes. FEO will be of value to new exhibitors or exhibitors that are having difficulty with a specific obstacle and/or ring environment. Competitors must enter in T2B and/or FAST. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
  - Toys are allowed in the ring
  - Toys must be non-audible
  - Toys may not leave the handler's hand
  - Toys that roll freely cannot be used
  - Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time

### Fix and Go On (FNG)

As of January 1, 2020, Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

Check-in will begin at 7:30 AM, first dog on the line at 8:30 AM MT. Crates may be set up Thursday between 5:00 – 7:30 PM.

Dogs may arrive any time prior to judging. Dogs that need to be measured must be available for measuring prior to the start of their class. All dogs not needed for further judging will be excused.

Judges are not required to wait for dogs. They will adhere as closely as possible to the judging schedule. The owner or handler of each dog is solely responsible for having it ready at ringside when it is to be judged. Neither the club nor the Trial Secretary have any obligation or responsibility to provide a service through a public address system, or stewards, or runners, for the purpose of calling or locating dogs that are not brought into the ring when required.

\*\*\* FAST will be a nested course with one walk thru and run through for all levels. Please consult the AKC Regulations for Agility Trials for a complete description and eligibility for entry into these classes. The exhibitor is fully responsible for entering the dog in the correct class(es)/height divisions. Dogs running in a lower height division than they are eligible for will be eliminated.

### COURSE WALK-THROUGHS AND WARM-UP INFORMATION

Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only.

A warm-up area, consisting of a regulation agility jump, will be provided for exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training or relieving of the dog.

## HEIGHT DIVISION

REGULAR	PREFERRED	HEIGHT AT WITHERS
Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8"	4"	For dogs 11 inches and under at the withers
12"	8"	For dogs 14 inches and under at the withers
16"	12"	For dogs 18 inches and under at the withers
20"	16"	For dogs 22 inches and under at the withers
24"	20"	For dogs over 22 inches at the withers. Regular Dogs may not be entered in this height if they are 22 inches and under.
24C"	n/a	Dogs may be entered at this height at their owner;s discretion if their measurement is 22 inches and under at the withers. Dogs who measure into the 24" regular jump height division may not enter 24-choice.

### Measuring and Height Card Information

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the Judge of Record PRIOR to running in their class and this measurement will be valid for that weekend of trials only. If a Volunteer Measuring Official (VMO) or an Agility Field Rep is present; ALL dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog before its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

### NEW Simplified Jump Height Card Process

When filling out the entry form, there is a new section at the top of the form for exhibitors to designate whether your dog needs to be officially measured. Please check the box so that the Trial Secretary knows whether to include your dog on the Dogs to Be Measured List.

### Dogs Eligible to Enter

This trial is open to all dogs fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP), an AKC Canine Partners listing number, or approved Foundation Stock Service (FSS) breeds are eligible to participate.

Dogs with a Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number must be spayed or neutered in order to compete. Wherever the word "dog" is used in these regulations it includes both sexes.

Dogs should be physically sound. Dogs that are blind shall not be eligible and neither are aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect the dog's physical or mental performance. No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate. Puppies under four months of age are strictly prohibited from the trial grounds. After the close of entries a dog, which has been entered in a Novice "A" class for which it is not eligible to be entered in due to class restrictions on the dog or handler, may be moved to the Novice "B" class. A request must be submitted to the trial secretary at least 30 minutes prior to the start of EACH trial and must state the reason and justification for the move. A dog may be moved down in their class level (i.e., Master to Excellent). The request for the move to the class for which the dog is eligible must be in writing and submitted to the superintendent or trial secretary at least 30 minutes prior to the start of the trial. (Chapter 1 Section 21)

## RIBBONS, AWARDS, AND PRIZES

Ribbons will be awarded in each jump height division in each class as follows:

First Place.....	Blue
Second Place .....	Red
Third Place .....	Yellow
Fourth Place .....	White
Qualifying Score .....	Dark Green

A New Title Pin will be awarded to all dog and handler teams finishing a title. A MACH rosette and MACH bar will be awarded to all dog and handler teams that attain their MACH. A PACH rosette and PACH bar will be awarded to all dog and handler teams that attain their PACH. Please let the trial secretary know if you are close to attaining your MACH or PACH when you send in your entry, so we can celebrate with you. Double Q pins will be available for dogs Q'ing in both M/E JWW and M/E STD on any given day.

## NOTICE TO EXHIBITORS

ALL conformation rings will be outside on the big lawn (where agility was in the past).

Day parking will be free.....The big lot will be available and the parking lot behind Building 2 and 3 will be available. For parking lot behind Building 2 and 3 you will enter the fairgrounds at the road by the DMV. The gate next to Building 1 will be locked.

All RV parking will be handled by the fairgrounds. The contact information will be in the premium list and will be included in our premium list for Obedience and Agility.

Several food trucks will be on the grounds. No other hospitality will be available. Clubs will provide box lunches for their judges and other key people that would not have the time to leave the fairgrounds or use a food truck.

Grooming space will not be offered in Building 2 and 3. Each person can set up their grooming spot around the fairgrounds using social distancing guidelines. If using blow dryers they must have sides on their set up so dog hair is not blowing into other people's set up.

Each person entering the fairgrounds will have their temperature taken and will need to respond to health questions. Then they will have a wrist band or hand stamp to show they have been thru this process. If you do not have a wrist band/stamp you cannot pick up your armband.

Shade tents will only be used in the rings, so people won't congregate under them.

The show will not really be promoted so that spectators will be minimal.

Obedience and Rally Judging will be in Buildings 2 and 3. NO personal set ups will be allowed in the building other than the secretary. Obedience/rally and agility set ups will be allowed around Building 2 and 3 and around the big agility ring on the lawn using social distancing guidelines.

BBKA will be flip flopping all the rings.... Agility will be down by the black fence (north end) in front of Building 2. ALL the breed rings will be pushed to the south so they can line the handlers around the south and west end of the big lawn.

## **SAFETY, BEHAVIOR and LIABILITY**

**The safety of the dog** is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.

**It is expressly understood** that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. Great Salt Lake Dog Training Club and its agents, employees, trial secretary, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. Great Salt Lake Dog Training Club reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against Great Salt Lake Dog Training Club, Trial Secretary, or any official thereof.

**Great Salt Lake Dog Training Club** will not be responsible for the loss of/or damage to any dog entered and exhibited, whether the result of accident or other cause. It is distinctly understood that every dog at this trial is under the care, custody, and control of its owner or handler at all times. Great Salt Lake Dog Training Club, officers, board members, and the Trial Secretary assume no responsibility for any loss, damage, or injury sustained by the exhibitors, their dogs, or property.

**All dogs must be on leash** at all times or otherwise confined when on trial/show grounds except when in the designated warm-up area or competing on the course. (AKC leash restrictions March 2009, Utah leash law/code 6.16.080)). Trial grounds are defined as the entire public interior area of the Legacy Center as well as the grounds. There is a fenced dog park area south of the 3 smaller buildings.

**Exhibitors are responsible** for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Trial Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the show grounds.

**Crating space will be from 5:00 PM – 7:30 PM on Thursday, September 10, 2020.** Do not set up crates near the agility ring until set up is completed. Crates may be left overnight but the Great Salt Lake Dog Training Club and Legacy Event Center will not be responsible for any lost or damaged items left at the show site.

Several food trucks will be on the grounds. No other hospitality will be available. Clubs will provide box lunches for their judges and other key people that would not have the time to leave the fairgrounds or use a food truck.

**Vendors** must contact Bonneville Basin Kennel Club. Anyone selling taxable items is required to obtain an event vendor license from the State of Utah. Requests for an event vendor license must be requested by the club.
