Preparing the membership directory to send off to Wendy for printing. In sending out the Board Meeting reminder for an email meeting, suggested for the April and future meetings we do Zoom. All agreed a zoom call would be best until we can meet in person.

Treasurer's Report

Everything paid to date.

Show Report:

Last week Wendy contacted Mike Moake at Farmington to book our dates and place deposit for the Nov trial. His response was that the dates in Nov have already been booked, are there other dates? After a lot of brainstorming, Wendy made a list of other venues the only venue with mats is Farmington. All other arenas are dirt floors. So I had a meeting with the South Jordan Equestrian Center (where the Beehive Cluster is held) and our dates of Nov 12, 13 & 14th is available and we can have the entire arena. Farmington is \$500.00 per day total for the buildings, South Jordan would be \$650.00 a day and includes the grooming of the dirt. Open for thoughts, but here's some of my thoughts to ponder. It will be easier to get stewards being in this valley, we will be together in one building and have better comradery. We can crate and have plenty of distancing in the building of 84,000 square feet. I have checked with Deb Nendell to see if this change would bring a secretary issue. She was thrilled to think we would go to So Jordan. Here is a suggestion she had that would take care of the price difference. One show on Friday, Two on Saturday and one on Sunday. This should fill up our entries.

Wendy made a motion to go ahead and book the So Jordan Center for the Nov dates. Jeff 2nd. All in favor of holding the Nov Trial in South Jordan at the Equestrian Center. No one opposed. Motion passed that Nov will be held in So Jordan. Majority was opposed to holding 2 shows on Saturday, motion to hold 2 shows on Saturday failed. Trail will remain at 1 show per day on Friday, Saturday and Sunday in Nov at the South Jordan Equestrian Center.

Training Report:

I have no update on being able to use the Armory. Have asked Jackie if we could at least use the front lawn of the Armory come May, but no response as of yet.

From: Wendy McCleery: A big thank you to Snake River Canyon Kennel Club for such a super Scent Trial this weekend in Filer, ID. A very hard working fun group!! Thanks to judges Mary Lehman and Patrice Dodd they were amazing! The Beagle boys were awesome! They finished off 5 titles and earned a couple more legs as move ups! Here is the highlight..... 11 year old Maddi has joined the team. She Q'd in 3 of her 4 runs with a 1st and 2nd in Exterior and a 2nd in Containers!! What a super star! See... You can teach old dogs new tricks!!! And a thank you to Jeff McCleery for your support and being our driver...

From: Kristie Rasmussen: Seti achieved his AKC Junior Hunter Title today! When Seti needed something else to do at 10 yrs. of age, my friend Evelyn F. Boyd said "how about what he was bred to do and get a Junior Hunter title on him." This adventure has been so much fun and rewarding....thank you Evelyn for helping me achieve this title; I couldn't have done it without you. So many people knew Seti could do it. I had my doubts, but he managed to learn everything he needed to know (even picking up yucky birds). Thank you KC Owens for believing in Seti and helping both of us. Thank you Richard Cole and Michelle Howe for all your help. My thanks to his breeder, Cindy Pischke, for the Best. Dog. Ever! The Wasatch Hunting Retriever Club ROCKS and can't thank them enough for all their hard work today.
