Report to meeting-

President-

- Thank you to Kristie for doing the program tonight.
- I am working with Maria on Trophies. I have ordered and received the gift cards for the November show. I will be bringing all the trophy supplies to the October General Meeting for Maria. I am planning on covering trophies for her on Friday and then I'll partner with her on Saturday and Sunday.
- I will order the lunches for the November shows the first week of November. I need a count of lunches (I did 20 last time and we seemed to have a lot of extra.) I need to know if the judges have any allergies or preferences. I am planning on doing sandwiches again.

Vice President-

- Nothing to report

Executive Secretary-

- Nothing to report

Home Secretary-

- Renewal membership is to be sent out soon
- Two new members voted in:
 - Tami Erickson
 - Gail Picha

Treasure-

- We have several checks that have not cleared the bank as of September 30th. Once they do, it will drop the balance down significantly from the end of September amount of \$12,335.70.
- Several regular items have been moved to the debit card and that will help significantly as we move into the new fiscal year so that we can account for the charges in real time and not several months later. I think that is working really well and has been incredibly helpful.
- Because of the end of the fiscal year this month, the rep from Quick Books recommended we wait until Nov 1 to change over to the new online format. The new format will have the same information, but it will be laid out differently and include different categories and may not match up to "old" information. So we have an appointment to take care of that the first week of November.
- A quick reminder that if you have receipts that you need reimbursement for from this fiscal year, please turn them in no later than October 31st. I am planning on attending the general meeting next Monday so feel free to bring them to me then or you are always welcome to email them to me.
